# Notes to and forming part of the Financial Statements for the Year Ended 30 June 2021

Narara Eco Living Network Inc

#### Note 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirement of the Associations Incorporation Act (New South Wales). The treasurer has determined that the association is not a reporting entity.

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values, except where stated.

The following material accounting policies, which are consistent with the previous year unless otherwise stated, have been adopted in the preparation of this financial report:

#### 1. Income Tax

Income from members is exempt from income tax under the concept of mutuality. Net income from other sources is subject to income tax unless an income tax exemption is obtained from the ATO.

#### 2. Revenue Recognition

Revenue is recognised when the organisation is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### 3. Donations, Sponsorship and Grants

Donations, sponsorship and grants are recognised as revenue when the organisation gains control, economic benefits are probable and the amounts can be measured reliably.

#### 4. Depreciation

Items of property, plant and equipment are depreciated over their useful lives to the entity commencing from the time the asset is held ready for use. Assets costing less then \$500 are fully depreciated at the rate of 100% in the year when the asset is held ready for use. Depreciation rates used vary between 20% and 100%.

#### INDEPENDENT AUDIT REPORT TO THE FINANCIAL REPORT TO THE MEMBERS OF NARARA ECO LIVING **NETWORK INC**

#### **AUDIT OPINION**

In my opinion, the financial report of Narara Eco Living Network Inc. is in accordance with:

- (a) The Association Incorporation Act (NSW) 2009, including:
  - (1) Giving a true and fair view of the association's financial position as at 30th June 2021 and of the performance for the year ended on that date; and
  - (2) Complying with Accounting Standards in Australia and the Association Incorporation Act (NSW) 2009; and
- (b) Other mandatory professional reporting requirements in Australia.

#### Qualification

As is common with organisations of this type, it is not practicable for the association to maintain an effective system of internal control over donations and other fund-raising activities until their initial entry in the accounting records. Accordingly, my audit in relation to fund-raising was limited to amounts recorded.

#### Report on the Financial Report

I have audited the accompanying financial report of Narara Eco Living Network Inc which comprises the Balance Sheet and Income and Expenditure Statement, for the year ended 30 June 2021, a summary of significant accounting policies and other explanatory notes and the Statement by the Treasurer.

#### **Committee Responsibility for the Financial Report**

The committee are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Association Incorporation Act (NSW) 2009. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

A DIVISION OF VICTORIA COURT ACCOUNTING & TAXATION SERVICES PTY LTD ACN 111 763 341

#### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on our audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

#### **New Appointment**

Following my recent appointment as auditor, I have not conducted an audit on the association's financial reports prior to 1 July 2019.
